

This ancient form of **Navagraha Puja** will help you to worship all navagrahas via a single prayer. The highlight of the puja is the sankalpa (mental resolve) which requests the navagrahas to remove discomfoting situations and sustain comforting situations arising from the planetary positions. You will learn prayers and rituals to empower you with the strength to overcome the obstacles caused by your past karmas. The medium of instruction is English.

■ Start Date: 09 Jan 2012 (Mon)

■ No of Sessions: 08
